

SUMMARY OF BENEFITS

Blue Care Elect Preferred[®]

Hampshire County Group Insurance Trust

 This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

Your Choice

When You Choose Preferred Providers

You receive the highest level of benefits under your health care plan when you obtain covered services from preferred providers. These are called your “in-network” benefits. See the charts on the opposite and back pages for your cost share.

Note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you’re still covered, but your benefits, in most situations, will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider

There are a few ways to find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com/findadoctor
- Call the Physician Selection Service at **1-800-821-1388**

When You Choose Non-Preferred Providers

You can also obtain covered services from non-preferred providers, but your out-of-pocket costs are higher. These are called your “out-of-network” benefits.

You must pay a plan-year deductible before you can receive coverage for most out-of-network benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductible is **\$250** per member (or **\$500** per family).

Payments for out-of-network benefits are based on the Blue Cross Blue Shield allowed charge as defined in your benefit description. You may be responsible for any difference between the allowed charge and the provider’s actual billed charge (this is in addition to your deductible and/or your coinsurance). See the charts on the opposite and back pages for your cost share.

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments (including prescription drug copayments), and coinsurance for covered services. Your out-of-pocket maximum is **\$6,450** per member (or **\$12,900** per family) for in-network and out-of-network services combined.

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a copayment per visit for in-network or out-of-network emergency room services. The copayment is waived if you are admitted to the hospital or for an observation stay. See the chart on the opposite page for your cost share.

Utilization Review Requirements

You must follow the requirements of Utilization Review, including Pre-Admission Review, Pre-Service Approval for certain outpatient services, Concurrent Review and Discharge Planning, and Individual Case Management. For detailed information about Utilization Review, see your benefit description. If you need non-emergency or non-maternity hospitalization, you, or someone on your behalf, must call the number on your ID card for pre-approval. If you do not notify Blue Cross Blue Shield of Massachusetts and receive pre-approval, your benefits may be reduced or denied.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.
