Do you want to sell your SRECs on an annual (state auction) or quarterly (open market) basis?:

ANNUAL

SRECs will be sold once a year at the DOERs annual auction every July and the price per SREC is fixed by the state. Please see page 7 in the Customer Information Packet for more information.

Payment Frequency: Once a year

QUARTERLY

SRECs will be sold up to 4 times a year, once per quarter, in the open market. Pricing is based on supply vs. demand. The minting and sale periods occur every January, April, July, and October (see pg.8-9 in Customer Information packet for more details).

Payment Frequency: Up to 4 times a year

**Solar Renewable Energy Certificates (SREC)
Authorized Representative Consent Form**

Authorized Representative Consent

I, **Primary Solar Facility Owner**, hereby appoint HCOG as my Authorized Representative and Agent to submit and execute a Project Details Form and other information as required in the registration of the array at **Solar Installation Address** as a qualified renewable energy generator, and specifically as a solar energy generator for the Solar Carve-Out within Massachusetts. HCOG will handle all dealings with the Massachusetts Department of Energy and Environmental Affairs and with the NEPOOL GIS on behalf of the solar facility which includes providing electrical energy output data to the MA Clean Energy Center's Production Tracking System.
